BIOGRAPHY

IMS EXPERIENCE	Kathleen A. Lucey joined IMS in late 2009 as a Senior Director of Business Continuity where she provides guidance, methodology, and project management for all BC Management projects.
PREVIOUS EXPERIENCE	<p>Kathleen brings depth and breadth of consulting experience, and has been involved in a wide range of government and industry missions in the areas of information security, fault tolerance in large complex systems, risk analysis, business continuity/disaster recovery, and emergency management. Her consulting projects in the business continuity arena span many subject areas in a wide range of industries: financial and brokerage, credit card operations, insurance, healthcare, pharmaceutical and chemical, legal, and environmental management.</p> <p>She founded Montague Risk Management in 1996. All aspects of risk management, including risk identification and mitigation, information security, and continuity planning for the protection and resilient operation of critical business functions, as well as reliability engineering for building infrastructure and support systems, have been Montague priorities.</p> <p>Ms. Lucey began an association with New York University's Center for Management in December 2004, and became Adjunct Professor in the School of Continuing Studies in 2005.</p>
EXPERTISE	<ul style="list-style-type: none"> ▪ All aspects of Risk and Resilience, including Risk Assessment, Strategy Development and Implementation, Testing Methodologies, and ongoing BC Program design and support. ▪ Design of appropriate risk management organizational structures.
CERTIFICATIONS	FBCI, Fellow of the Business Continuity Institute
