BIOGRAPHY

CONSULTING EXPERIENCE	Marsha Pront recently joined IMS as a Librarian/Consultant where she will deploy her expertise in law firm library management, research/reference services, and training. Her focus is in rebalancing law firm library collections, space planning, library audits, budgeting, legal research, vendor negotiations, and training programs for attorneys, paralegals, and support staff.
LAW FIRM EXPERIENCE	Marsha has over 30 years of experience in managing law firm libraries, beginning as the Director of Library Services at Proskauer Rose LLP and then as Manager of the New York Libraries for DLA Piper and Heller Ehrman. During her career, Marsha has initiated, developed, planned and implemented a variety of library procedures and programs to support the offices of large international law firms with the objective of providing outstanding customer service to the library users and aligning the library with the firms' strategic and financial goals. She also has extensive experience in the planning and moving of library resources. Marsha oversaw the procurement and management of the firms' information resources, including the selection and integration of electronic resources and the implementation of innovative solutions for information delivery. She also directed reference, research and training services to support both print and electronic research methods, managed the library staff, and integrated library invoices and online costs with the law firms' accounting departments. She served as the leader on various firm-wide library teams.
